Board of Selectmen  
Chilmark Town Hall

Chilmark, MA 02535

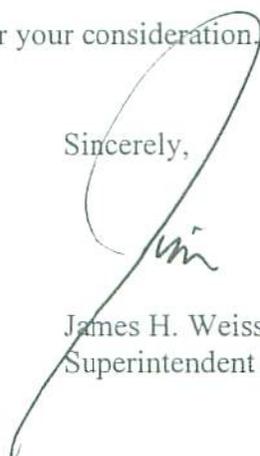

Dear Chair Parker:

As you may be aware, the West Tisbury School has determined that many of its windows and outside ventilation units were not installed with proper equipment and as a result have begun to rot. The Up-Island Regional School Committee believes it must replace these windows and vent units and has begun to work with architects from Keenan & Kenny to find a suitable solution.

We anticipate having an estimate of the cost within the next few weeks; however, I have included a "place hold" article for the upcoming annual town meeting for your consideration.

Thank you in advance for your consideration.

Sincerely,

  
James H. Weiss, EdD  
Superintendent of Schools
