Dear Clerk Christy:

Enclosed please find a "place-holder" warrant article for the next set of annual town meetings. The All-Island School Committee (AIS) is considering placing an article on the warrant to fund a feasibility study for the replacement of the Superintendent's office. I expect the AISC to take action on this issue at its December 1st meeting, but I wanted to ensure that we did not miss any individual town deadlines. Soon after that meeting I will forward a final version, if in fact the AISC decides to pursue this, to your office.

Thank you in advance for your consideration.

Sincerely,

James H. Weiss, Ed.D.
Superintendent of Schools

Feasibility Study Warrant Article

To see if the Town will vote to raise and appropriate the sum of _____ to fund the Town's share of the cost for a feasibility study for the replacement of the Superintendent's Office provided all six (6) towns approve. This study will include a review of the space needs for the office, an examination of the Martha's Vineyard Regional High School property to determine a possible site and develop a rough estimate of the cost for a building on that site.
