

Who can offer you the **BEST PRICE** for electricity?

CAPE LIGHT COMPACT CAN!

Electricity rates have not been this **LOW** since 2005!

Call (800) 381-9192 to sign up for these offers...

NEW BASIC SIX-MONTH RATES

If you left Cape Light Compact's Power Supply Program, now is the time to consider switching your home or business back to take advantage of our new low electricity rates.

Jan - Jul 2011 meter read dates

Residential	7.71 cents/kWh
Commercial	8.02 cents/kWh
Industrial (Jan - Apr)	7.94 cents/kWh

NEW LONG-TERM RATES*

Cape Light Compact is offering two attractive long-term options for **RESIDENTIAL** or **SMALL BUSINESS** customers who want stable electricity prices over a longer period of time.

Jan 2011 - Jan 2012	8.60 cents/kWh
Jan 2011 - Jan 2013	8.70 cents/kWh

*Long-term rates are for residential and small commercial customers only. This offer may be discontinued at any time. Customers signing up for this rate will be enrolled on their next available meter read date which may or may not be in January 2011.

NEW CAPE LIGHT COMPACT GREENSM RATES

Enroll in **CAPE LIGHT COMPACT GREENSM** and join a large and growing community of individuals and organizations committed to using renewable electricity generating resources. It costs just a few extra cents each day to help us build a market for cleaner, healthier, local energy projects. Plus 100% of the premium you pay for **CAPE LIGHT COMPACT GREENSM** (1.60 cents/kWh) is tax-deductible!

Jan - Jul 2011 meter read dates
