She has not had a chance to see it & sign it because I typed it after we spoke face to face. She is not in the office again until Sunday. She knows that I was going to write excellent on all of the items. I did tell her that I would provide her with a copy.

You are awesome. Have you reviewed it with Barbara and she sign it?

Tim,

I completed the 6 Month Performance Form Evaluation for Barbara Silk yesterday. I gave it to Dilly yesterday afternoon.
