

**Timothy Carroll – Executive Assistant
Chilmark, Mass**

Timothy,

As a result of the Federal Stimulus Program (U receive Solar Energy Systems supplied at no cost

DCS Energy will provide solar electric energy s buildings that are unobstructed southerly facing, over 50 systems in CT and have begun work in c Please see our website: www.DCSEnergy.com t

The DCS Energy Town Program is a 5 year lea deposit and 60 monthly fees during the lease. A to the Town. The solar panels have a 25 year w credited by the utility for the life of the system.

A 5kW system (approximately 500 sf of solar a electricity and would save \$30,000 over the 25 sf of solar area) will produce \$400/month and s systems on any Town building that is feasible fo

We are holding an informational seminar on A you'd like me to reserve a place for your Town.

If you are interested in our program we can cl way of satellite review. Attached please find o name/type of building and it's address. The rev to the Town. Call or email me if you have any c
