Re: Workers' Compensation – CorVel will assume Nurse Case Manager Services Effective April 1, 2011

Dear MIIA Member:

MIIA is pleased to announce an enhancement to our current partnership with CorVel Corporation. CorVel will replace the Best Doctors nurse case management program effective April 1, 2011. CorVel is a national organization and a leader in health care management with local offices in Acton, Massachusetts.

CorVel will continue to provide MIIA members with utilization review services, medical bill re-pricing services, a preferred provider network, and a pharmacy benefit management program.

CorVel's nurse case managers will be working with injured workers and members to facilitate a safe and timely return to work. As a follow-up to this letter, MIIA will also send a letter to all injured workers introducing CorVel as their new case management provider.

MIIA is looking forward to our expanded relationship with CorVel. If you have any questions please feel free to contact Helena Conlon, Sr. Claims Adjuster at 617-457-7656.

Sincerely,
