Re: Contract with Barney Suman to work as Food Inspector/Instructor during the 2011 summer season

Our Administrator/Inspector Marina Lent has requested a professional development program for food inspection techniques this summer. Ms. Lent plans to raise the standard of food safety practices at Chilmark food establishments. This will be a one-time contract for the duration of the 2011 summer season.

The Board of Health would like to request that the Board of Selectmen hire Mr. Barney Suman to conduct food establishment inspections together with the BOH Administrator/Inspector effective May 9th 2011.

Mr. Suman is a highly-qualified food inspector who has worked in the food industry for over 30 years. He has been employed with the Town of Edgartown to do food inspections for the past three years.

We thank you very much for your attention to this matter.

Sincerely yours,

Katherine L. Carroll, Chair
