Hi Timothy

If your chairman agrees Peter Cabana and I would be willing to make a short presentation to the your BOS tomorrow night concerning what CVEC is doing and the advantages of joining that organization.

I am the Tisbury rep to CVEC and Peter Cabana is the Dukes County rep. and we are working to hopefully get all of the island towns to join CVEC. We would all of the towns on the Vineyard to be represented on the Board of CVEC.

As we discussed, there is a difference between CVEC and other organizations like Vineyard Power.

Please advise if you can get Peter and I on your schedule.

Thanks
