Help the MCC Shape Its Future

Dear Colleagues,

The MCC wants to hear your voice. The agency is crafting its strategic plan for the next five years and is asking you – our cultural organizations, local cultural councils, educators, artists, and others – for ideas and inspiration.

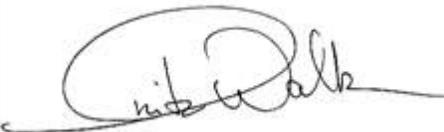

We have scheduled four **public forums in early December** at which MCC staff will join with you to create a shared vision for expanding support for the arts, humanities, and sciences in Massachusetts, and how to translate that vision into reality. [Register for a public forum.](#)

We've also created [a planning survey](#) that is short and simple – you should be able to complete it in 15 minutes or less. We ask that you **complete this survey by Friday, December 16, 2011**. All responses will be confidential (though you will also have the option to identify yourself if you prefer).

We plan to take your collective input, along with that of elected officials and other key stakeholders, and draft a plan to take to MCC's Board for discussion at its January meeting and final approval in March.

We hope that you will participate in this effort. Thank you for all that you do!

Very truly yours,

Anita Walker
Executive Director
Massachusetts Cultural Council
