Dear Mr. Carroll:

The position of 30-Hour a Week EMT Basic was advertised and nine people received Applications. Of those nine, five people submitted the Applications. Of the five Applications submitted, three were selected for interviews. One potential interviewee subsequently called to withdraw her name from consideration. Two qualified EMTs were interviewed by the Chief and by Medic Ben Retmier.

Heather McElhinney was selected to fill the position. She has been notified and accepted the position. I would like the position to start January 1, 2012. Heather is an experienced EMT and is currently enrolled in the Paramedic Training program. She is and will continue to be an asset to the Tri-Town Ambulance Service.

All other applicants were notified that the position has been filled but that their Applications will remain on file with us for one year.

Sincerely,

Paul "Zeke" Wilkins
Chief, TTA
