SUBJECT: 2012 Spring Sweeping

Dear Chairperson,

The MassDOT's Highway Division will begin spring sweeping operations along its State Highways, weather permitting, on or about March 19, 2012.

In accordance with MassDOT, Highway Division practice, it is anticipated that cities and towns maintain existing sidewalks located within the State Highway system. Therefore, prior to our spring sweeping, MassDOT is requesting that your city/town sweep all sidewalks in your jurisdiction into the roadway gutter line. Please use caution and good judgment on the timing and placement of the sweepings into the roadway as not to create a hazardous condition.

MassDOT Maintenance Personnel will contact your Highway Department to notify them when we expect to commence sweeping operations in your city/town and to discuss the availability of water from hydrants for sweeping equipment.

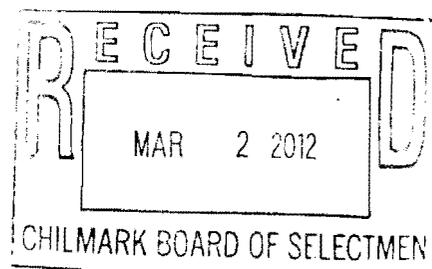

Your continued cooperation in this matter is greatly appreciated.

Sincerely,

Mary-Joe Perry
District Highway Director
