

March 16th, 2012

To the Chilmark Board of Selectmen:

I am requesting permission on behalf of the H & M Company for a one day stills photography shoot

On Friday, April 13th (weather permitting) in Menemsha.

H & M is a well known fashion company based in Sweden and this would be for a catalog seen only in Europe.

There will probably be 15 in the group including the clients, photographer and assistants, hair and make up, model and production crew and myself.

I am a full time Vineyard resident and the photo scout and project coordinator.

Thank you so much for considering this request.

Best, Annie Foley
