MEMO FROM Dennis Jason, Harbormaster

TO: Board of Selectmen

SUBJECT: Slips

DATE: 2 October, 2012

For the West Dock we have several slips available because Moira Cullen refused the slip which belonged to Bruce Slater. Since then Robert Merry has relinquished his slip. Dennis has been able to rent both slips to transients during the summer so there was no loss of revenue to the town.

Following Moira Cullen on the on the waiting list is Peter Harrison. He was offered the slip last summer but is uncertain as to whether he is eligible.

Peter Harrison is a property owner (with his father) and a tax payer in Chilmark. He is not a resident of Chilmark as he lives in Norwell, MA. His father who has his own slip is not a resident either; he resides in Coral Gables, Florida.

Following him is Jim Lee, whose father David Lee has a slip. As far as we know Jim does not own property nor is he a resident of Chilmark. He does lives in Massachusetts, his father lives in Bryan, Texas

Following them is Helen Parker and then Lewis Sachs.

How should we proceed? In the past we have gotten legal opinions from Michael Goldsmith.

Dennis
