Subject: Shell Recycling Newsletter

Martha's Vineyard is NOW RECYCLING SHELL at a transfer station near you...

Edgartown, Oak Bluffs, & West Tisbury Transfer Station facilities are now equipped with designated bins for dropping off all shell material - oyster, clam, scallop, mussel, conch.

Shell recycling is FREE.

Talk this Friday February 1, 2013 @ 11 am

Katherine Cornell Theater

hosted by: Environmental Partners Group, a Quincy engineering firm.

Presenter Mr. Paul Gabriel, principal of the firm, was directly involved in the construction of an oyster restoration reef in Wellfleet for the purpose of denitrification. Will discuss oyster reef building as an alternative to the wastewater treatment approach to mitigate nitrogen loading of our island ponds.

All public welcome.

Jessie Holtham

MV Shell Recovery Partnership
