Dear Mr. Doty:

Thank you for being a part of our 'Mayors for Meals' event yesterday! I am so pleased you were able to visit with some of our consumers. It means so much to them!

We hope that you saw some of the benefits of our Meals on Wheels Program. In the packet of information, you might have noticed that our numbers increased by 30% last year... 29,602 meals were delivered to our homebound Island elders. The congregate meals sites also saw an increase, over 8,400 meals were served at the Council on Aging's senior dining sites.

Once again, on behalf of the Nutrition Program of Elder Services of Cape Cod and the Islands, it was very nice to meet you and I want to thank you for participating! !!

Sincerely,
