

July 8, 2014

Tim Carroll
Executive Secretary
Town of Chilmark, MA
P.O. Box 119
Chilmark, MA 02525

Dear Tim,

We are pleased to announce a one-day Technology Conference this fall open only to VTS clients. Our objective is to provide very informative and concise sessions geared at discussing the evolving trends and expectations for online services.

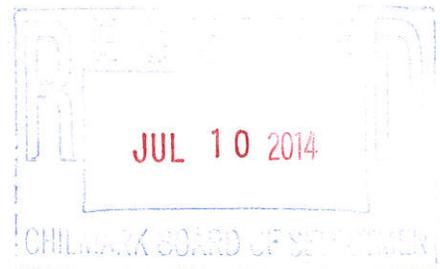

See the enclosed flyer for an overview and further details/registration can be found at: <http://conference.vt-s.net>. The conference will be centrally located in Worcester, MA at the beautiful Beechwood Hotel.

With over 250 clients within a 90 minute drive we do expect a sell-out so encourage you to register early.

Please let me know of any questions you may have. We hope to see you there!

Regards,

Millard Rose
President
mrose@vt-s.net

Keeping You Ahead of Rising Expectations

VTS Technology Conference

September 24, 2014—Worcester, MA

This informative one-day conference is open to VTS client Chief Administration Officers, IT Managers, and Website Administrators.

To Register

Visit conference.vt-s.net to register online. Or call us at (888) 785-2611.

With over 250 clients within a 90 minute drive, we expect a sell-out and we urge you to register soon!

**Virtual
TOWNS &
SCHOOLS**

Conference Objective:

Provide VTS clients with macro level industry trends coupled with live examples of those trends in action. The morning will include moderated presentations and audience participation about how local governments are addressing important constituent expectations. The afternoon will provide choices to better understand how major emerging web services are benefiting municipalities across the country.

Conference Topics include:

Client Roundtable: **Gauging Constituent Expectations for Online Services**

Open Government: What It Is and Where It's Going

Client Roundtable: **Effective Uses of Social Media**

Lunch with Guest Speaker (To Be Announced)

First Afternoon Breakout Session

Session A: **Latest Trends in Fillable Forms** (or)

Session B: **Service Requests & Citizen Engagement**

Second Afternoon Breakout Session

Session A: **Economic Development & Leveraging Municipal Assets** (or)

Session B: **Latest Trends in Video Streaming & Archiving**

Third Afternoon Breakout Session

Session A: **Drupal CMS Discussion & Update for Site Administrators** (or)

Session B: **FirstClass CMS Discussion & Update for Site Administrators**
