

## Martha's Vineyard Land Bank Commission

Chilmark Board of Selectmen  
Post Office Box 119  
Chilmark, Massachusetts 02535

Dear selectmen,

I am writing, at the request of the land bank commission, regarding the lot (tax parcel no. 24-110) that has been offered to the town as a gift by Charles Hotchkiss on behalf of the estate of Richard King.

The land bank would be willing to accept this donation, subject to a like vote of the Chilmark land bank advisory board. The land bank already owns four such lots in this area — the closest of which is approximately 550 feet from Mr. King's lot.

Thank you.

Yours very truly,
