NOTIFICATION OF MUNICIPAL ELECTRONIC BILLING APPROVAL

Under Massachusetts General Laws Chapter 60, Section 3A municipalities are allowed to issue tax bills or notices in electronic form, provided that the electronic bill or notice meets the required bill or notice standards. An electronic bill or notice issued shall be under voluntary programs established by the collector, **with the approval of the board of selectmen or mayor**, as the case may be.

As of the date below signed, our municipality:

Has properly approved electronic billing for the following bills:

- Real Estate
- Personal Property
- Excise Taxes
- Utilities

Has NOT approved electronic billing.

If electronic billing has been approved, City Hall Systems is authorized to provide our approved bills in electronic form to taxpayers that have elected to receive electronic billing. City Hall Systems will notify your printing company as to which taxpayers have elected electronic billing.
