RE: Common Vic License to Operate Food Truck November 9, 2015-April 30, 2016.
Location: Chilmark General Store Parking Lot

This letter is to request a common vic license to continue our off-seasonal food truck operation located in front of the Chilmark General Store. At this point, there are no significant changes to previous years request or operations. We will try to start earlier in the day to capture some of the breakfast sandwich crowd which would move our start time from 11am to between 8am and 9am. Closing time will remain 2 ish.

Thank you for your support of this request.

Josh and Angela Aronie
